

## *Directions to* **Four Seasons-Quatre Saisons Bed & Breakfast**

*Our B & B is about 1 & 1/2 hours northwest of Toronto.*

- ❑ Use the **#401 expressway**, a major east/west highway across southern Ontario. Travel **west** on highway 401, leaving the expressway at **Exit 295 to Guelph**.
- ❑ This will put you on **Highway #6 North** (also know as the **Hanlon Expressway**). Travel to the **end** of the expressway and at the T-intersection turn **right** onto **Woodlawn Road** (which is also Highway #6/7).
- ❑ Travel east for about 2 km (1.2 miles) and at the **fifth stop light** turn left onto **Woolwich Street** (which is also Highway #6) heading **north to Fergus**.
- ❑ Travel north for about 4 km (2.5 miles) then turn left onto **Wellington County Road 7 to Elora**. It is about 13 km (8 miles) west to Elora.
- ❑ Stay on **Wellington County Road 7** until the **first stoplight** in Elora. At that stoplight, turn **left** onto **Wellington County Road 21** (on many GPS systems listed as **South River Road**).
- ❑ Our B & B is 2 km (1.2 miles) from the stoplight. You will pass the **Elora Gorge Conservation Area** on the right. After passing the conservation area, the road goes uphill curving to the left.
- ❑ Our driveway is on the **left** side of **Wellington County Road 21 (South River Road)**. Count the curved road chevron markers on the right side of the road as you travel up the hill. Our **Four Seasons-Quatre Saisons** sign is opposite the **3rd chevron** marking the curve.
